

# Anchoring clamp OSS-ZO-A-OK-04-06-M

OSS-ZO-A-OK-04-06-M

## Features:

- designed for pole aerial networks
- dedicated for ADSS cables with diameter from 4,2 mm to 6 mm
- provides bending radius  $\leq 30$  mm
- made of high quality, UV-stabilised material
- easy installation, no need to use special tools

## Technical specifications:

	OSS-ZO-A-OK-04-06-M
material	UV-stabilised thermoplastic
application	aerial
cable diameter [mm]	4,2 - 6,0
clamp durability [N]	800
weight [kg]	0,03
fibre manufacturer	Malico/Sicame
