

CSM series power meter

CSM series power meter

Features:

- easy and reliable measurement equipment
- ability to set reference power level
- modulation recognition (tone detection)
- clear display with backlight
- compact, durable case
- ideal for installers
- includes changeable universal 2,5 mm ferrule adapter

Technical specifications:

model	calibrated wavelengths [nm]									measurement range [dBm]	units of measure	functions			
	660	780	850	980	1300	1310	1490	1550	1625			tone detection	„Wave ID” detection	reference power setting	save/copy function
CSM1-1	+	+	+							+6 to -70	dB, dBm, W	+		+	
CSM1-2			+		+	+		+		+6 to -60	dB, dBm, W	+		+	
CSM1-3			+		+	+	+	+	+	+6 to -70	dB, dBm, W	+		+	
CSM1-4			+	+		+	+	+	+	+26 to -50	dB, dBm, W	+		+
